

My name is Šimona Drábková.

I have been dogdancing for over 20 years. I founded a Dogdancing club in the Czech Republic. Most of the time you will see me in the ring with a Doberman by my side. After many years of being a contestant at top competitions, I look forward to enjoying the EOC as a judge this year. I look forward to seeing your dance routines and will do my best to judge them objectively and fairly.
